1. **PeaceMonkey DIY t-shirt kits** come with a chalkboard silkscreened tee and a non-toxic permanent marker, and your kids provide the art. Let your little monkey show off their creative side with a trip to Peace Monkey.

2. Baby's learning experience gets personal with smart and sweet Goosie Cards. Simply visit GoosieCards.com to create flash cards for baby using your own photos and text; all flash cards teach baby about the big world, but Goosie Cards teach baby about his world. *Save 15% with code tottrendsweekly at checkout.*

3. **The Eco-Me Baby Kit** is 100% natural and allows you to make your own natural Baby Room Spray, Baby Clean Wipes and Baby Diaper Freshener. We love the sweet and delicate scent of Eco-Me's Lavendar, Chamomile and Mandarin Orange essential oil mix.
